GERMAN FLYING BOATS VIOLATE NEUTRALITY OF NETHERLANDS: PROTEST LODGED WITH REICH

Dutch Chaser Fires On Craft At Vlieland

AMSTERDAM, NOV. 19 (REUTER)—THE NETHERLANDS GOVERNMENT HAS SENT A PROTEST TO GERMANY FOLLOWING TWO INSTANCES OF ALLEGED VIOLATION OF THIS COUNTRY'S NEUTRALITY BY GERMAN FLYING BOATS.

In the first case, a Dutch chaser fired on a German flying boat at Vlieland. The German aircraft replied with its rear machine-gun before making off.

The Dutch plane, which was undamaged, subsequently encountered two more German flying boats over Netherlands territory. Both flew off when the Dutch plane opened fire.

A Dutch military plane today chased three Nazi planes from over Dutch territory.

Two of the German craft headed out to sea outside territorial limits directly they saw the Dutch plane but the third Nazi plane replied to the fire of the Dutch craft before making off.

The Netherlands has protested to Berlin.

BELGIUM'S STRONG LINE

BRUSSELS, Nov. 19 (Reuter)—Belgium is taking a strong line against violations of her neutrality by belligerent planes. Though no countries were named, Belgian envoys have been instructed to make strong protests in appropriate quarters.

A communique issued today states: "There have been flights by belligerent planes over our territory in the past few days. The Government has instructed its diplomatic representatives to make vigorous protests to the Governments concerned."

ITALY AND SPAIN

There is reason to believe that the rumours that Italy and Spain recently indicated to the German Government their interest in the integrity of Belgium and Holland are not without foundation, states the semi-official Belgian news agency.

It is stated that reports indicate that the Italian and Spanish Governments made not a joint demarche in Berlin but separate demarches which they probably worked out together, apparently aiming to implement the Belgio-Dutch peace initiative.

They said that they intervened in the same sense in London on November 11. Authoritative circles in Brussels decline to confirm or deny the reports.

The Italian and Spanish Governments, according to the Belgian agency, are also reported as having insisted that the British Government should grant all neutrals equal treatment in regard to maritime traffic.

MR. LESLIE HORE-BELISHA, War Secretary, inspected battle positions on the Western Front yesterday, says a Reuter message.

Deadlock Is Reached In Trade Talks

GERMANY AND RUMANIA

BUCHAREST, Nov. 19 (Havas)—German-Rumanian trade talks are believed to have reached a deadlock. Some observers fear that Germany will take very serious measures to compel Rumania to enter the Reich's economic system.

Government quarters, however, are confident that Germany has closed herself to every possibility of direct pressure against Bucharest.

Germany could control Rumanian oil and wheat resources only through threatening the occupation of the country but such a threat could be carried out only after the occupation of Hungary or with the co-operation of the Soviet.

Both eventualities appear highly improbable.

GERMANY'S WAR AIMS

BERLIN, Nov. 19 (Reuter)—Dr. Robert Ley, Leader of the German Labour Front, defined Germany's war aims as the destruction of Britain.

In order to accomplish this, apparently working day is to be increased from eight hours to ten hours.

London Bomb Explosions In Black-out

LONDON, Nov. 19 (Reuter)—Serious bomb outrages occurred during the black-out last night and caused considerable excitement in the West End of London.

Two bombs exploded in the neighbourhood of Piccadilly, followed 30 minutes later by a third. Some shop windows were shattered and masonry dislodged, but no one was injured, although the noise of the explosions and falling glass caused considerable excitement in the blackened streets.

Police discovered a fourth bomb near Park Lane Bank in time to prevent explosion.

Responsibility for the outrages is attributed to I.R.A. terrorists.

FIERCE FIRE IN EDINBURGH

LONDON, Nov. 19 (Reuter)—A fierce fire broke out last night in a railway goods yard in the heart of Edinburgh.

Despite the efforts of fire brigades from all parts of the city, the flames, fanned by a strong wind, spread furiously, involving building after building, including one huge structure containing a large variety of merchandise, which was completely gutted.

Huge crowds in Edinburgh watched the blaze which, accentuated by the black-out, lit up the whole sky.

CHINA'S EXPORTS TO U.S.A.

CHUNGKING, Nov. 19 (Central)—China's export of tung oil to the United States last year was valued at U.S. \$25,000,000, showing an increase of 25 percent over the previous year, according to a Chinese financier.

Tung oil, silk and bristles, he revealed, are China's largest exports to the United States.

MARTIAL LAW PROCLAIMED IN PRAGUE: NAZI TANKS PATROL STREETS: WIDESPREAD ARREST OF CZECH STUDENTS

Italo-Soviet Struggle In Balkans

FASCIST PAPERS COMMENTS

PARIS, Nov. 19 (Reuter)—The Italo-Soviet struggle in the Balkans is becoming more and more obvious, says the Rome correspondent of Le Temps, who quotes the Fascist newspaper Critica Fascista as saying:

IL DUCES IDEALS

"If the Comintern hopes, by making use of revolutions of others or by the bait of out-of-date social revolution, to spread itself in the Balkans, it will have to fight against the ideals and battalions of Signor Mussolini, the same ideals and battalions which have already fought communism in Italy, Spain and elsewhere."

SURPLUS FOOD PROJECT

China's Huge Scheme

CHUNGKING, Nov. 19 (Reuter)—The Chinese Government is to appropriate \$60,000,000 for the purchase of surplus food in the war areas embracing Hunan, Kiangsi and Anhwei Provinces. Steps have been taken to obtain better prices for farmers' produce and to improve the general distribution of foodstuffs. It is estimated that the Government will purchase more than 12,000,000 piculs of grain from the three provinces, at a total cost of \$58,500,000. More than \$3,000,000 will be spent on the construction of warehouses.

BANKS TO HELP

According to reports here, the Government will appropriate \$25,000,000 for the scheme, while the four Government Banks—the Central Bank, Bank of China, Bank of Communications and Farmers' Bank—will put up \$30,000,000. The Hunan Provincial Government will appropriate \$5,000,000 and Kiangsi and Anhwei Provinces \$1,000,000 each for the project.

SUPERVISORY COMMITTEE
A Supervisory Committee will be formed of members, including representatives of the Executive Yuan and the National and Military Ministers of Interior, War, Finance, Communications and Economic Affairs.

DR. EMIL HACHA

PLENARY SESSION CLOSING

CHUNGKING, Nov. 19 (Reuter)—The closing meeting of the 8th Plenary Session of the Central Executive Committee of the Kuomintang is expected to be held today when a manifesto on the decisions of the conference may be released.

Among the resolutions adopted yesterday at the meeting was one advocating improvement of military hospitals for better treatment of wounded officers and soldiers.

Clumsiness Of German Propaganda

PARIS, Nov. 19 (Havas)—New proof of the clumsiness, and utter disrespect for truth, of German propaganda is gathered from German reports on the Japanese operations in South China.

German propaganda asserted yesterday that the Japanese, after occupying Fangcheng, crossed the border of French Indo-China and penetrated 50 miles inside French territory.

Despite the obvious absurdity of the news it is pointed out in reports from French Indo-China that show that the territory is not threatened and that operations are not taking place on the Indo-China border.

Machine-Guns At Entrance To All German Buildings

BRUSSELS, Nov. 19 (Havas)—While three more Czechs, two of whom were police officials, were executed, Nazi tanks patrolled Prague streets throughout the day being a reminder of the events in March when the Germans invaded Czechoslovakia.

Meanwhile widespread repression is being carried out mainly against Czech intellectuals and many universities have been raided.

AT DAWN YESTERDAY, MOTORISED DETACHMENTS OF THE GERMAN STATE POLICE ARRIVED FROM THE REICH AND IMMEDIATELY SURROUNDED SVELLA AND MASARYK COLLEGES AND INVADDED THE PREMISES.

STUDENTS WERE BRUTALLY DRAGGED OUT FROM THEIR BEDS, THROWN INTO LORRIES, AND CARRIED TO CONCENTRATION CAMPS.

Later the Gestapo invaded several other colleges and the medicine and law sections of the Polytechnic Institute arresting all the students and professors. Later all of them were thrown into the concentration camp at Buchenwald, near Weimar.

Gestapo squads also arrested several members of patriotic organisations, including the Sokols.

Arrests, since yesterday, have reached several thousands. Machine-guns are posted at the entrance to all German buildings.

Reuter reports from Berlin that martial law was proclaimed on Saturday night in Prague and certain other towns and protectorates, including Klado and Horochowitz, according to a Prague dispatch to the official News Agency.

The measure, it is stated, does not apply to Germans.

Unrest continues in Czechoslovakia, where martial law has been declared in Prague and three cities, reports Reuter from London.

President Hacha's broadcast last night warning the Czechs against resisting the Germans, and advising them to submit, caused consternation among Czech hearers. Dr. Hacha spoke in a voice deep with emotion.

Three more persons were executed bringing the number in the last 24 hours to 12.

"FORBIDDEN CITY"
Prague is once more a "forbidden city," states a Reuter message from Amsterdam.

Telephonic communication with the outside world has been severed, but Nazi admissions of shooting and martial law give indication of affairs of importance happening in the former Czech capital, according to neutral opinion.

Unconfirmed rumours report that disturbances have occurred in the Skoda armament works and also state that the trouble has spread to parts of Poland.

NO REVOLT—YET

LONDON, Nov. 19 (Reuter)—Claiming that he has been receiving regular news from Czechoslovakia through secret codes, M. Jan Masaryk, Polish Minister in London, said: "There has been no great revolt against Nazi aggression—yet."

IMPORTANT DECISIONS MADE AT KUOMINTANG SESSION: TWO NEW

MINISTRIES SUGGESTED

WEAVING CLASSES FOR SCHOOLS AND COLLEGES

CHUNGKING, Nov. 19 (Reuter)—Among the numerous proposals submitted to the Sixth Plenary Session of the Central Executive Committee of the Kuomintang, which is now meeting here, is a suggestion for the creation of two new Ministries in the Chinese Government—a Ministry of Forestry and a Ministry of Water Conservancy.

IMPORTANT PART
The delegates supporting the proposal argue that forestry and water conservancy is a most important part of the reconstruction work in the North-West Provinces. Previously forestry had been handled by the Agricultural Bureau

of the Ministry for Economic Affairs, while water conservancy work has been carried on by the Yangtze, Yellow and Hwai Rivers Conservancy Committees.

The proposal is still under discussion by the Plenary Session.

SMALLER PROVINCES
Important decisions covering party, political, economic and educational affairs were adopted during the meeting yesterday afternoon of the session.

Among the proposals adopted was one advocating the creation of smaller provinces by breaking up the larger provinces into less extensive units.

Another proposal passed was that submitted by Mr. Linsen, Chairman of the National Government, advocating that weaving classes should be introduced into all schools and colleges and also that weaving be made a required course for all girls students.

At the morning meeting, numerous reports were heard on communications, education, publicity and social progress and overseas affairs.

Canada's "Air Colleges"

OTTAWA, Nov. 19 (Reuter)—Classes for Canada's "air colleges" will open in a month's time.

The Empire representatives have practically completed the organisation of details and arrangements for financing the scheme and a general description plan is expected to be announced next week.

It is reliably reported that an initial order for 1,500 advanced training planes has already been placed with a United States firm.

Britain and Poland have signed an agreement for certain Polish warships to work with the Royal Navy for the duration of the war, says Reuter.

FAVOURITES WIN FIVE OF SATURDAY'S VALLEY RACES: CONFUSION BAY SETS UP NEW MILE RECORD: CLOSE FINISHES

Three Dead-Heat For Second Place

HOW THE HORSES RAN

Punters had the unique satisfaction of seeing as many as five races won by the favourites at Saturday's meeting of the Hongkong Jockey Club at Happy Valley, when fast times, close finishes and some good dividends were features of the day's events.

The first four races were won in a row by the favourites Confusion Bay, Strathbannock, Navylight and Wilber, while the favourite for the seventh event, Royal Highness, also won his race. In the fifth race, the favourite, Boolat Bay, was placed third, while A Roaring Time, the winner of the last race, was the second favourite of that event. The only favourites to disappoint were Courtling Eve in the sixth race and Brutus in the last.

Confusion Bay, ably ridden by Mr. D. Black, clipped a second off the mile record of one minute 55 seconds held by Rose Elect and Diana Bay.

The seventh race provided one of the most spectacular finishes seen in Hongkong when four horses finished almost in line, the winner being a short head in front of the other three who tied for second place.

Mr. Don Black secured the riding honours with three winners and a place, while Mr. V. V. Nedda was second with two winners and two places.

DAILY DOUBLE
The Daily Double on races five and seven paid \$438.10 to each of 17 winning combinations on Blue Diamond and Royal Highness. The total pool was \$7,448.

The big race of the day, the Hongkong St. Leger, was won by Navylight (Mr. Moller up) in a thrilling finish. The flag start, however, saw the field off in bad order, Navylight getting away first enjoyed a tremendous advantage.

RACE ONE
Humdrum Eve was the first to show up from a good start. Bear Claw, Confusion Bay and King's Warden were next in order. On entering the back stretch, Humdrum Eve drew away and was about seven lengths ahead at the Rock. From this point Mr. Pini's mount seemed to weaken, and the hot favourite, Confusion Bay, was noticed to move up and pass Bear Claw, eventually entering the straight ahead of the field. Mr. Black then urged his mount and went on to win easily by three lengths, while Bear Claw finished a strong second with Moonlight View making a late spurt to snatch third place from King's Warden who was going nicely at the finish. Humdrum Eve was a poor fifth. Factorite was badly left at the start and was never in the race.

"LAST QUARTER" DOES IT AGAIN

Consistently successful in his race selections, "Last Quarter," the Hongkong Daily Press racing expert, tipped five direct winners at Saturday's races. They were, Confusion Bay, Strathbannock, Navylight, Wilber and Royal Highness.

Two other horses tipped for places won their events, making a total of seven winners in eight races.

Ten others of "Last Quarter's" selected horses were placed, making a total of 17 successes out of 24 selections.

"Last Quarter" maintains his claim to be Hongkong's most successful racing tipster. Follow him in the Hongkong Daily Press.

CHINESE BEAT ASSOCIATION

SOFTBALL: NO REAL SURPRISES YESTERDAY

There were no real surprises in the ladies' games played yesterday, although the Cardinals' win over the Baby Panthers was not generally expected. The Chung Hwa Wildcats held their position at the top of the table with a smashing win over the Cubs, who made things easy for the champs by committing 16 errors.

The Hongkong Ball Club duplicated the Cubs' feat by committing the same number of miscues to allow the Owls their easy victory.

WILDCATS HOLD LEAGUE POSITION
(BY "R.O.Y.")

The Baby Panthers were also in the limelight with their loose fielding and despite committing eight more bobbles than the Redbirds were still able to hold the winners to the barest of margins mainly through outthumping them 11 to 9.

The Recreio girls also gained their victory through the poor fielding of the Buccaneers. This match was featured by a homer by Maudie Read, who also pitched well to register 6 strike-outs. Her opposite number, Anna Noronha, also hurled steady ball to concede no free passes.

Magaret Oliveira and Irene Pereira were the only two of the Recreio aggregation to maintain their high batting standard, garnering two hits apiece.

FRIENDLY MATCH
In a friendly match Club de Recreio entertained the U.S.S. Ashewell in what was probably the best game of the season. The local boys finally won by three runs to two after two extra innings after the sailor boys had managed to tie the game at 2-2 in the seventh frame.

BEAT ASSOCIATION IN GOVERNOR'S CUP

Fine Defensive Play By Williamson

Definitely the superior team, the Hongkong Chinese Amateur Athletic Federation defeated the Hongkong Football Association by five goals to three in the first match of the Governor's Cup series played on the Navy ground, Causeway Bay, yesterday afternoon in the presence of about 8,000 spectators.

It was a good game and held interest throughout, though it was a pity that the Chinese were forced to play only nine men in the second half, Lee Wal-tong and Hau Ching-to being passers, both suffering from cramp.

There were several changes in the attack, supported by Chau Man-chi, both teams. In the Chinese line-out, Mak Siu-hon, Lau Chi-chan, Tsang Chung-wan and Chau Man-chi replaced Lee Kwok-wai, Leung Wing-chiu, Soong Ling-sing and Lal Shu-wing, respectively, while in the Association team Bright and Honnball replaced Wilkinson and Coles, respectively, in the intermediate line.

Williamson, the Association pivot, played a fine defensive game, but he was not fully exerted by Lee as the latter was never a source of danger after his attack of cramp. In fact, in the second half Lee remained in the midfield practically throughout heading the ball but once.

Sheehan was the pick of the Association's backs, and kept a good watch on Fung and Yeung Shui-yick, the speedy right-winger. Robinson, in goal, brought off many fine saves, particularly two dives at the feet of Chau Man-chi and Fung.

POOR SHOOTING
The Association's attack was not very strong, their shooting, especially that of Thorburn, being wide of the mark. Time and again, Thorburn failed to make the best of his opportunities when in front of the Chinese citadel. Hossack, leader of the attack, was guilty of too much dribbling. Gosano played well, while Fowler and Middleton, right and left wing, respectively, sent in some useful centres.

The Chinese were strong in defence, where Mak Siu-hon and Lee Tin-sang were outstanding, while Hsu King-sing put in a lot of hard work at centre-half. But the distribution of the ball by the wing halves, Lau and Tsang, could have been better.

Fung King-cheong was a constant hard worker, and, with Yeung Shui-yick, bore the brunt of the attack.

THE TEAMS
The teams were:—
H.K.F.A.:—Robinson; Hendy Sheehan; Bright, Williamson, Honnball; F. Fowler, A. V. Gosano, Hossack, Thorburn and Middleton.
H.K.C.A.A.F.:—Cheung Wing-choi; Mak Siu-hon, Lee Tin-sang; Lau Chi-chan, Hsu King-sing, Tsang Chung-wan; Yeung Shui-yick, Fung King-cheong, Lee Wal-tong, Chau Man-chi and Hau Ching-to.

CLOTH BELT INSTEAD OF "SAM BROWNE"

Modifications in officers' dress adopted by the Army Council for the duration of the war include the optional wearing of the Sam Browne belt.

Instead, a cloth belt in material to match the Service dress jacket may be worn. This belt will be similar to that worn by officers of the R. A. F.

Newly-appointed officers, except those of horsed units, will not provide themselves with a sword.

Full dress, undress and mess dress will not be worn on any occasion. Service dress or battle dress will be worn on all occasions by all ranks, except that officers on leave and all ranks at their stations may be permitted to wear plain clothes for the purpose of athletic exercises for which a special dress is necessary.

The wearing of decorations and medals will cease. Medal ribbons will, however, be worn both in Service dress and battle dress.

While Samuel Stripp, a Southern Railway man, was crossing the line at night with another man, they were challenged by a sentry, who then fired, wounding Stripp.

Regalia To Be Removed

As a precautionary measure, the regalia which are at present in the Colombo Museum are to be removed to a place of safety "somewhere in Ceylon."

It is understood that the Minister of Education has given instructions to the Acting Director of the Colombo Museum to make the necessary arrangements to remove the articles.

The proposal will be placed at the next meeting of the Executive Committee, and on their formally approving it the Acting Director of the Museum will take the necessary steps.

The regalia were to have been placed permanently in the Kandy Old Palace, and the authorities were waiting until certain alterations to the building were made.

GENERALISSIMO'S CONDOLENCES

Generalissimo Chiang Kai-shek has sent a telegram to Mr. Tu Yueh-sheng, prominent Shanghai Chinese leader now in Hongkong, asking him to convey his condolences to the family of the late General Wu Kwang-hsin, who died of heart failure at the age of 64 in Kowloon on November 15.

General Wu was a native of Hoi An, Anhwei. He received his military training in Japan. He was at one time Minister of War of the defunct Peking Government. Being a close follower of the late Marshal Tuan Chi-jui, Provisional Chief Executive of China 1924-25, he also quit political life after the Marshal's retirement and had been living in Shanghai.

Upon the organisation of the "Provisional Government in Peking" he rejected an offer by Wang Keh-min to fill an important post and later came to live in Kowloon.

COLONY HEALTH RETURNS

Twenty-five cases of tuberculosis, five of diphtheria, four of dysentery, three of enteric fever and one each of measles and chicken-pox were notified to the local Health authorities on Friday.

The Band of the Middlesex Regiment, entertained the officers and men of the Hongkong Volunteer Defence Corps in Fan Fung Camp last night.

JAPANESE PLANE VISITING HERE

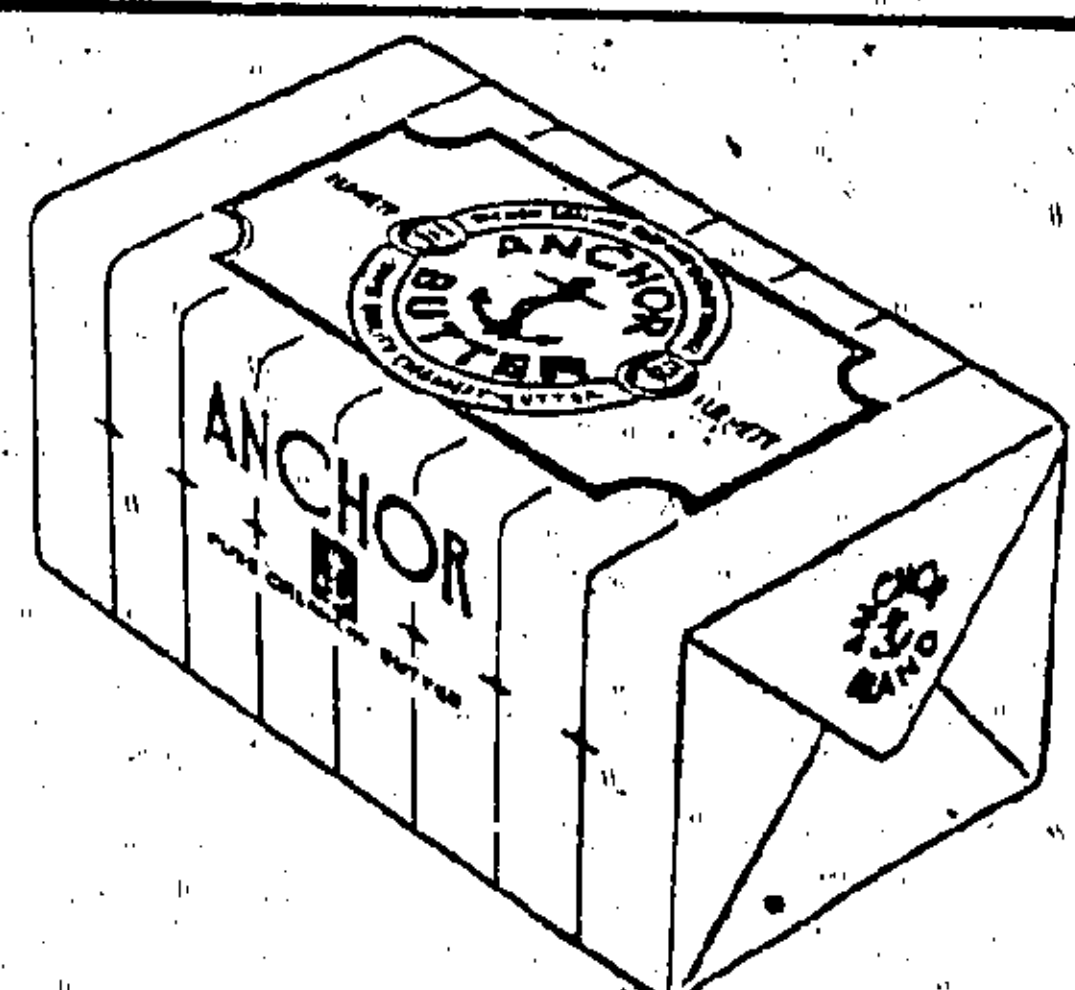

A Japanese military plane, a Douglas DC-3, arrived at Kai Tak from Canton on Friday to collect a spare tyre for the Imperial Airways' R.M.A. Dardanus and took off three-quarter-of-an-hour later for Weichow Island.

On departure from Kai Tak, it was learned that the Japanese Douglas craft would be returning to Canton during the week-end and would also stop in the Colony. However, no word was received from the Japanese military authorities in the past 48 hours and the plane did not arrive.

Though lacking official confirmation, it is understood from reliable sources that all of the 199 kilos of Royal mail, which was on the R.M.A. Dardanus when it landed on Weichow Island, was not delivered in Hongkong last week, a small amount was missing and is supposed to be still on the Dardanus.

It is presumed that this is the cause for the Japanese plane's return trip to Hongkong.

A reward will be paid to any person giving information leading to the recovery, by the Authorities, of a Battle Practice Target which broke adrift in position 20 miles E. N. E. from Lamcock Island Light on November 8, 1939. This target which is 145 feet long and carried no mast was reported to be drifting in a W. S. W. direction at about 18 miles daily.

HONGKONG, NOVEMBER 20, 1939

ITAGAKI'S TASK

SHORTLY BEFORE the Chinese victory which put an end to the Japanese advance on Changsha, General Seichiro Itagaki, former Japanese War Minister, was sent to China to "unify" military operations on all fronts, co-ordinate them with Japan's political and economic offensive, and finally achieve the subjugation of the country so long and so ardently desired by the powers that be in Tokyo.

WE KNOW a great deal about General Itagaki. He is one of the most addicted to pronouncements of Nippon's vocal militarists and, in addition to this, his career during the past eight years has been spent very much in the public eye. At the time of the occupation of Manchuria, Itagaki, seeing himself in the role of a budding Napoleon, was Chief of Staff of the Kwantung Army and one of the outstanding rowdies of the "young officer clique." He was a markedly "political" General, and his development paralleled in many respects that of Kenji Doihara. Like the latter, he bears a good part of the responsibility for Japan's brutal aggression in China.

WHEN THE WAR for which he had agitated so long actually broke out, General Itagaki assumed command of the famous Fifth Division, the most-defeated Japanese force in China. One of his brigades was crushed by the Eighth Route Army at Pinghsinkuan on September 25, 1937. Another was lost at Tai'erchuang in the spring of the following year. After this Itagaki was removed from his command and returned to the more congenial sphere of imperial politics in the capacity of War Minister, in which post he distinguished himself for his advocacy of Japan's robber's alliance with the Axis powers. The international shake-up of last August and its internal consequences ejected him from the War Ministry and sent him once more to China.

AT THE PRESENT TIME, Itagaki is credited with the theory that Chinese resistance can be broken if Japan occupies what he terms the "Hengyang-Pakhol front," capturing the entire length of the Hankow-Canton railway and establishing a line through the province of Kwangsi. The concerted attack on Changsha in September, which ended in such miserable failure, was intended to open the drive for this objective. The present operations in the vicinity of Pakhol probably represent a new attempt to turn the Chinese front, this time at its other extreme, in preparation for a new series of drives against Kwangsi, Changsha, Ichang

Serious Displacements In "Manchukuo's" Economy Are Caused By War In Europe

HSINKING, Nov. 16 (Reuter)—The outbreak of the war in Europe has caused serious displacements in the interior economy of Manchukuo. On the one hand, it has stopped the export of soya beans and their by-products to Germany, and, on the other hand, it has deprived the country of much-needed materials from Germany. Numerous factories throughout the country, built to accommodate German machinery, are now standing empty.

AIR RAID OVER CHUNGKING

CHUNGKING, Nov. 18 (Reuter)—Chungking today experienced its first air raid for six weeks. Twenty-seven Japanese planes appeared and dropped bombs in the outskirts of the city.

NAZIS ARRESTED IN TURKEY

ISTANBUL, Nov. 19 (Reuter)—The Turkish authorities have arrested eight Germans residents here. They will face a charge of espionage and spreading Nazi propaganda.

The Germans had large sums in foreign currency in their possession, particularly in United States dollars.

A full inquiry is being held. Among those arrested is a photographer.

Young Nazi Internees Escape

LONDON, Nov. 19 (Reuter)—Three German prisoners escaped early this morning from an internment camp in the east of Scotland. One of them is only 15 years old and the other two 17.

Police stations throughout the country have been warned and it is not expected that the lads will get far. They are dressed in khaki, can speak no English, and have no money or food with them.

All three were members of the crew of a U-boat.

"DEADLY SERIOUS"

Canada's First Oversea Division Now Ready

OTTAWA, Nov. 19 (Reuter)—"A higher quality of men could hardly have been conceived," declared Major-General McNaughton, Commander of Canada's first overseas division, at a press conference today, after inspecting the first division of units throughout the Dominion.

He said that the men were "deadly serious, contrasting to the spirit of adventure prevailing in 1918."

INDUSTRIAL ORGANIZATION Mr. Rogers, Minister for Defence told the conference that Canadian industry is rapidly completing its organization on a war basis and that the first division would be as well equipped as the British Army when it arrived overseas.

and Stan. This is the scheme on paper. In fact, the Pakhol landing is already meeting with serious difficulties and is likely to add another fiasco to the already formidable list that Itagaki has to his credit.

BY THIS, it is not meant to infer that General Itagaki is any less capable or any less determined than his fellow militarists. It is precisely because he is the most thoroughgoing advocate of Japan's "Continental Plan," because he believes so implicitly in the military and political illusions on which this plan is based that he fails so consistently. The whole policy of aggression, and not its individual adherents, is bankrupt and doomed to disaster. Changsha, the failure of the "peace offensive," and the miscarriage of the plans of Japan's chief tool, the vicious and traitorous weakling Wang Ching-wei, have given proof of this. The events of the following months will dot the 1's and cross the t's.

It is openly admitted that there is a great shortage of manufactured materials in the country; that there are difficulties with regard to imports, and that negotiations between Hsinking and Tokyo covering priority imports brought to Japan have not gone too smoothly.

MONOPOLIES SYSTEM

The system of monopolies which, it was hoped, would help to expand Manchukuo's export trade, has not proved very successful for the simple reason that it has been based on the export of beans.

Warehouses from Dairen to the North are now said to be crammed to capacity, and consumption by Japan will not relieve Hsinking's anxiety to build up a favourable export trade.

Competent circles describe as "rubbish" all talks of shipping beans to Germany by rail via Siberia. Apart from the cost of haulage, there is the most important question of the shortage of rolling stock, both in Manchukuo and Russia. Certainly, Russia had withdrawn most of her rolling stock from the East in anticipation of the developments which have taken place recently.

AGE-OLD PROBLEM

Other reports regarding the exportation of bean concentrates to Germany may be taken with a great deal of reservation, for chemists here announce that it has so far been impossible to break down the constituent elements of the soya bean into such fragments as to enable them to be shipped economically and commercially via Siberia.

The problem that faces Manchukuo at present is the age-old problem which has faced the nations of the world from time to time, and the agricultural authorities are now working for the diversification of the crops, which will permit the country to be self-sustaining and, at the same time, give a surplus in the event of a prolonged war for exportation to countries which will provide and send to Manchukuo the materials that she badly needs.

COOLIES FIGHT AT WHARF

Bamboo Poles Used: One Man Hurt

One man was hurt, and is at present being detained in hospital, following a fight between some 20 coolies at the Fook On Wharf yesterday morning.

Bamboo poles and other weapons were used and at least three men sustained injuries to their heads.

It is reported also that a four-year-old child who happened to be at the scene of the fight received a nasty crack on the skull from a bamboo pole, but this report is unconfirmed.

TWO GANGS

The fight was between two gangs of coolies, one being the wharf coolies and another men brought on the scene by the owner of a consignment of cargo that was to arrive from Macao by the vessel Fook On.

The latter were being brought to assist in the transportation of the cargo, and they were intercepted en route by the second gang who would not let them come up to the wharf.

The fight lasted about 15 minutes. Several men were subsequently arrested by a police party from No. 7 Station, and it is understood some of them may be charged with disorderly conduct.

Hello & Goodbye

(BY A. W. HYER)

The past week-end found many interesting visitors in our port and had us gyrating between the Kowloon piers and Kai Tak.

At the airport all hands were scanning the sky expecting to see that big Douglas DC-3 plane of the Japanese military which was due for a return call en route from Weih-chow Island to Canton. But it did not put in an appearance.

Sad news for many is the delay of the Imperial Airways' service from Bangkok with mail and passengers. For some unknown reason the service will be held up on the main Empire route until Wednesday, and it is expected the plane will arrive at Kai Tak in the afternoon.

Imperial Airways

SUNDAY, 7 A.M. Captain J. Davies was off for Bangkok in the R.M.A. Delta. Mail totalled approximately 184 kilos.

There was one passenger on this service, a European lady travelling to London.

Inward Traffic

THE ARRIVAL OF the new Dutch steamer from Shanghai brought many residents to the shipside for "how-do-you-dos!"

En route to Manila and cordially welcomed to Hongkong was Mrs. C. B. Hart and her three young daughters. Mrs. Hart is the charming wife of Rear-Admiral T. C. Hart, Commander-in-Chief of the United States Navy Asiatic Fleet, and who is now in Shanghai. This very nice Naval family continued south on the Dutch steamer after a visit with Commodore Cassidy, in charge of the South China Asiatic Patrol of the United States Navy, and Mrs. Cassidy.

A review of the parade at the ship's deck rail when the luxurious steamer came alongside the pier found many well-known people aboard.

Mr. and Mrs. J. K. Bousfield, director of the Hongkong and Shanghai Banking Corporation were smiling; these residents returned from a call in Shanghai.

Mr. and Mrs. A. C. Ellis, manager of the New Zealand Insurance Co., Ltd. were returning to their home and offices here after a visit in the big northern metropolis.

And a gracious lady, well-known in French circles both here and in Shanghai—sailed down—from her home in the North for a visit—Mrs. S. E. Brediam.

Mr. A. H. George was up at the rail. This gentleman, who made for the gangway and shore quickly on the steamer's arrival, is connected with the Indo-China S.N. Co. in Shanghai.

Mr. J. J. Kienhuize, connected with P. J. Klink in Shanghai, and Mr. E. R. Smith, official of Yee Tsong Tobacco Co. in the North, have come on a business call in Hongkong.

A well-known member of the Rockefeller Foundation, with quarters in Shanghai, will visit a short while in the Colony. He is Dr. M. C. Balfour.

Mrs. J. MacRobert travelled down from Amoy on the Dutch steamer and joined her seafaring husband who waited impatiently but with many smiles, for the transport's arrival.

According to all the passengers and the many en route to the south the travel business on the Dutch line is progressing satisfactorily.

Via Italian Line

THE ITALIAN STEAMER calling in port during the weekend, en route to Europe, carried interesting passengers.

We were quite excited to learn that Princess Anna Matchabelli was aboard on her way to Trieste with Commander and Mrs. Adolfo Alessandrini, holding diplomatic passports.

Princess Matchabelli, who has toured the world many times, and is connected with a famous and historic Italian house, is well-known for her interest and knowledge of international affairs.

Another interesting personage, was Mrs. E. Glipperich, from Shanghai, travelling on a diplomatic passport to Hongkong.

Mr. W. E. Tyler, connected with Haskins and Bells of Shanghai, is in town! And Mr. Paul Buergin, of General Motors, China, Ltd., comes on a business call in the Colony.

Two other Shanghai residents and businessmen arrived from the

North on the Italian steamer, Mr. A. S. Henchman, of the Hongkong and Shanghai Bank, and Dr. F. W. Biffinger, representative of the Chinese Aluminium Rolling Mills, Ltd.

American Line Traffic

THE BIG FLAGSHIP of an American steamship company got underway for a trip across the Pacific to the home port, during the weekend, and taking a large passenger list from Hongkong.

Mr. Jutang Chu, director of the China Travel Service, certainly got a farewell in Hongkong he will never forget. This travel expert was en route to Shanghai.

Mr. and Mrs. F. C. Fornes were also well taken care of when it came to saying goodbye. The American Consul en route to a vacation in the United States was the centre of a gay party down to bid him "happy landings."

Mr. and Mrs. W. C. Affeld, Jr., other members of the Consular service, were proceeding to Kobe.

Sailing to San Francisco were Mr. and Mrs. R. H. Larchar, and their children. The head of the family, a well-known resident in the Colony, is taking time off from his duties with General Motors for a vacation spree!

More vacation-bound people and the cause of another gay and joyous party before the departure hour were Mr. and Mrs. R. Gregory, Standard Vacuum Oil Company members and residents of Hongkong. It is holiday time for them and they meant it!

The complete list of "who's who" travelling on the American steamer is lengthy. In fact, company officials report with much glee that this sailing was one of the "heaviest" in many months.

There was Mr. O. D. Terrell travelling to Shanghai. There are few who do not know the popular director of British America Tobacco Co.

The America Ambassador to China, Mr. Nelson T. Johnson, accompanied by Mr. F. Lafoon, Vice-Consul in Shanghai, were bound for the North.

Mr. J. A. Doebel, the big boss of Otis Elevator Co., and Mr. J. V. Crowe, executive of Ford Motor Co., Ltd. were laden with friends, good wishes and toasts at their departures for Shanghai.

A member of the Fourth Estate, Mr. Victor Keen, news-gathering for the New York Herald, was off to Shanghai.

And a party of General Motors of India organization, Mr. and Mrs. M. A. Mann and Mrs. S. Malcolmson, were heading for home in the United States.

And with all the gaiety there was a note of sadness, particularly among the crew members of this American steamer. Returning to the United States for burial were the remains of Mr. Fred Otto Heyer, the chief of this American flag-ship. Mr. Heyer, aged 55, had served many years with this particular steamship company and passed away in Hongkong suddenly when his steamer called here from San Francisco, en route to Manila, a little more than a week ago.

China War:

FIGHTING IN SAMSHUI SECTOR

CHINESE SUCCESS IN WEST SHANSI

SHIUNG, KWANGTUNG, Nov. 19 (Central).—Three hundred Japanese troops attacked Wontong, about ten miles upstream from Samshui, on the North River, on November 16. Two Chinese columns engaged them and drove them back.

Chinese raided Siutong station on the Canton-Samshui Railway on November 11. While they were setting fire to the Japanese barracks and supply depots, Japanese reinforcements arrived from Sheungpa, a neighbouring station. Fighting continued till the following day, when the Chinese voluntarily withdrew.

IN WEST SHANSI

HINGTSE, Nov. 19 (Central).—Pushing further eastward from Puhshien, Chinese troops, in West Shansi, recaptured Hualochen on November 17. Another unit has reached Heliungkwan, and is engaging the Japanese.

The Japanese retreating from Siangning suffered heavy losses when they were intercepted on the way. On the morning of November 17 they were challenged to close-quarter fighting at Hetalow. No fewer than 100 Japanese were killed and five Japanese motor cars were destroyed.

CHAOCHOW SECTOR

LIUWONG, KWANGTUNG, Nov. 19 (Central).—Under the escort of a squadron of planes, 500 Japanese launched an attack on Cheunglam-kiao, in the Chaochow Sector, on November 14. The Chinese withdrew after their defence works were destroyed.

The mutiny broke out as a result of the rejection of their demand for returning to Japan after long and strenuous fighting in China. Many Japanese officers were killed.

The riot was quelled by Japanese troops sent from Tsinan who put about 200 mutineers under arrest. Holding himself responsible, the commanding officer committed suicide.

DESETERS IN SHANSI

TALI, SHENSI, Nov. 19 (Central).—It is learned from reliable sources that 134 Japanese deserted in Shansi September 20-31. These included 53 in Taiyuan, 20 in Hsinhsien, and over 50 in Chih-shen.

Italy's Moves In Balkans

IF JAPANESE INVADE KWANGSI ANOTHER LARGE ENEMY FORCE WILL BE TIED UP IN CORNER OF CHINA

CHUNGKING, NOV. 19 (REUTER).—COMMENTING ON THE RUMOURED JAPANESE INTENTION TO INVADE KWANGSI PROVINCE, GEN. PAI CHUNG-HSI, CHIEF OF THE GENERAL STAFF AND CONCURRENTLY DIRECTOR OF GENERAL-ISSIMO CHIANG KAI-SHEK'S SOUTH-WEST HEADQUARTERS, DECLARED TODAY:

"Our only fear is that the Japanese won't invade Kwangsi. If they do, they will give the Chinese another chance to tie up another large force of the enemy in another corner of China's vast territory."

The well-known Kwangsi strategist said that the Chinese would probably adopt, in Kwangsi, the same tactics as they did in Shansi and North-Hunan, where the population, in co-operation with the army, destroyed all roads and evacuated with everything they could carry on the approach of the enemy.

In this manner, Gen. Pai Chung-hsi declared, the Japanese would be deprived of supplies and also the use of heavy weapons.

PREPARATIONS MADE

Anticipating the Japanese invasion, it is now revealed that fifty-four political work directors, from various parts of Kwangsi, were recently summoned to Kweilin for a conference. After six days of discussion, these directors returned to their posts and began pushing forward their preparations for the struggle they expected.

The Chinese called for help and the Japanese gendarmes boarded the bus and arrested the "police party."

The Municipal police and the Danish Consul are trying to effect their release.

German military advisers to Turkey are returning to Germany, reports Reuter.

British Attitude To China

NO DIVERGENCE ON THE ESSENTIAL ISSUES

LONDON, Nov. 18 (Reuter).—Since the conflict in China began there has never been any doubt regarding the attitude of this country towards the essential issues, and it is not to be imagined that we should or shall diverge from it, declares the Manchester Guardian in a leading article this morning.

EXIGENCIES OF WAR

The newspaper adds that such steps as the withdrawal of our gunboats from the Yangtze and our troops from northern China are explained by the Government as due to the exigencies of the war.

They are therefore irrelevant to our general policy.

On the subjects of the Chinese silver deposits in Tientsin and the Chinese national currency, the Government stands firm.

DUTCH SHIP SUNK

Continued from Page 1

the passengers jumped into the sea. They had no time to gather their clothes or belongings.

The Simon Bolivar was built in Rotterdam in 1927 for Dutch owners and registered there under the Dutch flag.

The Admiralty announces that the sinking of the Dutch passenger ship was a further example of the utter disregard for international law and dictates of humanity shown by the present German Government.

Mines were laid without any notification in the Channel followed by merchant shipping, both British and neutral, and there is no doubt they were laid for the specific purpose of destroying such shipping.

CONSERVATION CAUSED AMSTERDAM, Nov. 19 (Reuter).—The news of the sinking of the Simon Bolivar, which spread rapidly among the Saturday night crowds in the cafes and restaurants caused consternation here.

It was reported that 107 of the injured survivors have been taken to hospital in London, including Dutch, British and Norwegian passengers, many of whom expressed the opinion that the Simon Bolivar did not strike a mine, but was torpedoed.

The officers of the ship, however, stated that the vessel was struck on the port and starboard side, which suggested that the damage was caused by mines and it is believed that the minefield was laid overnight.

It is learned that two other vessels were also damaged by mines near the spot where the Simon Bolivar sank, but both succeeded in reaching port.

CAPTAIN KILLED According to a survivor, the captain was killed instantly on the bridge.

One of the ship's stewards stated that the vessel was off the east coast when, without warning, a terrific explosion shook her and everyone realized that the situation was serious, but there was no great panic. People ran to their life-boat stations, some stopping to collect a few belongings.

A little time after the first explosion, there was another violent explosion. A steward expressed the opinion that the first explosion was caused by a mine and that the second was caused by another which was linked to the first by a chain.

FORCED LABOUR FOR JEWS IN POLAND

STOCKHOLM, Nov. 19 (Reuter).—A Danish correspondent in Berlin says that thousands of Jews have been sent to Poland for forced labour, working 12 hours a day.

The official German News Agency says that Jews in Poland are to be restricted to ghettos.

German liners, the Windhuk and the Adolph-Woermann, sailed from here unobtrusively yesterday for an unknown destination.

They had been in Lobito since the outbreak of war.

One reason for the departure of the two German ships from Lobito suggested is that they have gone to meet and give provision to the German raiders which sank the African Shell in Portuguese waters on the other side of Africa.

SHIP SCUTTLED LONDON, Nov. 19 (Reuter).—Fifty-seven Nazi seamen and their Captain were landed in a seaport in Scotland having scuttled their ship when ordered to stop by a British patrol.

Among them was a boy, aged 15, who was clutching a black and white kitten. The crew waved cheerfully to the inhabitants.

LATVIAN SHIP SUNK LONDON, Nov. 19 (Reuter).—A Latvian cargo ship was sunk by a mine off Zeebrugge on the Belgian coast.

HEAVILY ARMED LOURENCO MARQUES, Nov. 19 (Reuter).—The crew of the Africa Shell estimate that the German raider came up at a speed of 20 knots.

She was painted a battleship grey and was heavily armed with triple gun turrets with at least two seaplanes and a crew of 700.

MAGNETIC MINE COPENHAGEN, Nov. 19 (Reuter).—At the enquiry into the sinking of the Danish ship Canada in the North Sea on November 11, Captain Knudsen, the master of the vessel, insisted that the sinking was due to a magnetic mine.

RESCUED CREW LONDON, Nov. 18 (Reuter).—Twelve members of the crew of the 11,000-ton Norwegian tanker "Arne Kjoede," which was sunk without warning by a Nazi U-boat five days ago, were landed at a northern British port today.

It will be recalled that 23 of the crew were rescued last Tuesday, when it was announced that 17 were still missing.

In Oslo today it was officially

On Verge Of Starvation

FLOOD REFUGEES IN HOPEI

CHUNGKING, Nov. 19 (Central).—Over half of the population in 94 counties in Hopei Province have been driven to the verge of starvation as a result of flood, according to Mr. Tsung Chun-jen, of the War Zone Party and Political Affairs Commission, who has just returned to Chungking from an inspection tour to North China.

The flood washed away more than 200,000 piculs of stored grain of the farmers, deprived them of their harvest and made autumn sowing impossible. The water still stands in many parts at more than ten feet high, Mr. Tsung said.

JAPANESE MORE

Taking advantage of the flood disaster, the Japanese military, according to Mr. Tsung, started to conscript able-bodied Chinese males in Hopei for labour in "Manchukuo." In August when the flood was worst, thousands were conscripted from the Tientsin-Pukow Railway zone and sent to Manchuria. Each of them received 50 cts. in bogus banknotes per day.

Mr. Tsung said that the first remittance of \$300,000 from the Central Government for the relief of flood sufferers in Hopei was insufficient. He hoped that further relief be provided.

stated that the captain and four of the crew were drowned, and some of the survivors slightly injured.

LONDON, Nov. 19 (Reuter).—The Simon Bolivar left Amsterdam for the West Indies on Friday night. About 80 of the 70 injured recovered sufficiently to be discharged from one London hospital this afternoon.

NO COMMENT AMSTERDAM, Nov. 19 (Reuter).—The sinking of the Simon Bolivar was detailed at length in the Dutch press but without comment, for Holland is determined to maintain her neutrality.

Information available indicates that the majority of the passengers were British travelling to Barbados, Trinidad.

There were also a number of Dutch passengers, including employees of the Batavian Petroleum Company going to Surinam and Curacao.

Other passengers included Jewish refugees from Germany and other Central European states travelling to Chile.

the hot favourite, rushed off closely followed by Eve of Harvest (the next in demand on the pari-mutuel). The other two candidates were so badly left that they had no chance whatever, and might just as well have cantered round. The final stages of the race, however, were thrilling. Eve of Harvest, who had been slowly gaining on the leader, made a desperate bid to overhaul Navy-light in the last furlong, and for a time it looked as if she would succeed, but Mr. Moller managed to keep his mount in front and won by a short head.

Galaxy and Hectic View fought out the third place many lengths behind, the former winning by a short head.

RACE FIVE

The field went off in line with Lovely Star in front. Lovely Star led into the back stretch followed by Rose Flana, another and Galveston Bay.

Lovely Star led into the home straight but in the final run, Blue Diamond came up strongly followed by Rose Queen and Boolat Bay (the favourite) and these three overhauled the rising Lovely Star to pass the post in that order. National Pride in a last minute dash beat Lovely Star for fourth place. Shum Chun Handicap—(One Mile) Mr. Hong's Blue Diamond, 152

RACE SIX

Taking the lead from the start, Criffl maintained it to the end. Derby Day and Happy Landings were prominent in the early stages, but failed hopelessly in the home run where Lucky Lad and Lancashire Chips, (both well fancied candidates), came up to take the remaining honours in a close finish.

Making a very late dash, Courtling Eve, the favourite, was just able to beat another horse for fourth place, while Derby Day was sixth and Happy Landings seventh. Janber, making its first run for this half of the season, was very disappointing, but the pony might have improved from the run and should make a better impression next time.

New Bridge Handicap—(Six Furlongs)

Mr. Peel's Criffl, 145 lbs. (Mr. D. Black) 1

RACE SEVEN

Scenic View and Salvage Master were the first away, but they were soon displaced by Laughing Girl who went out at a good pace. The last named, however, weakened after The Rock but was in front of the bunch at the bend, where Royal Highness joined up and the quartet raced home almost in line in one of the closest and most thrilling finishes seen for a long time.

Royal Highness the favourite just managed to get his nose in front, and won by a short head, while Laughing Girl, Salvage Master and Scenic View dead-heated for second place.

None of the other candidates were in the picture at any stage of the race. Scenic View's victory over its better fancied stable-mate Sunlight View, must have proved a disappointment to many.

RACE EIGHT

Amber 11 took the lead and set up a terrific pace, but after leading into the home straight by many lengths, the pony shot its bolt and was beaten within the distance by A Roaring Time (second favourite) who came up like a streak and went on to win comfortably by four lengths. Roofly, one of the less fancied candidates, was just able to snatch second place by a short head from the tired Amber 11. Violet Queen was fourth.

Sterling Futures Break To Lowest Level

FOREIGN EXCHANGE WORRIES

NEW YORK, Nov. 18 (Reuter).—Sterling futures broke to their lowest level not only since the war, but for a year, on the New York foreign exchange market yesterday.

INTENSE WEAKNESS
Spot also showed intense weakness along with rumours that Sterling would be permitted to fall to 3.75 or even to 3.50 before the year end.

The market was also worried somewhat over reports of closer economic federation between Britain and France which, according to some observers, would, merely weaken Sterling further.

DIFFICULT PROBLEM
Explaining the slump in forward Sterling, exchange market circles point out that speculators are finding it more difficult to operate in spot Sterling.

While there is money to be made at present levels in the sale of spot Sterling and the purchase of forward months, comparatively few banks are willing to undertake it, with the price reflecting this disinclination to provide facilities.

Meanwhile, private advices from London indicate that balances in London belonging to neutrals are reaching their lowest level and

may virtually be exhausted in a few weeks.

MEAGRE SUPPLIES

Furthermore, the supply of fresh Sterling usually created by Paris goods to Britain is now meagre because British imports are being paid for in foreign exchange created prior to the war or by supplies from British investors who are disposing of American securities.

The Canada dollar also slumped on reports of heavy buying of war supplies in the United States.

Molybdenum Found In Szechwan

The discovery of rich deposits of molybdenum in southwestern Szechwan was reported by General Lu Chiao, who recently headed an investigation trip to aboriginal parts of the province. Molybdenum is a metallic element of the chromium group, resembling iron in its white colour, malleability, difficult fusibility, and its capacity for forming steel-like alloys with carbon.

The molybdenum deposits are located in the wild mountainous regions of Mapien district on the Szechwan border. Other metals discovered there include copper, iron and lead.—(C. I. C.)

S'hai Cotton Mill Reopens

DISPUTE SETTLED AMICABLY

SHANGHAI, Nov. 18 (Reuter).—After several months of negotiations between the management and workers an amicable settlement of the dispute which has been responsible for the closure of the British-owned Lun Chong cotton mill and print works in Footung has been achieved. Both factories are expected to reopen very shortly.

It will be recalled that a Briton, Mr. R.M. Tinkler, was killed in the mills in the early days of the strike.

SHARE MARKET REVIEW

HONGKONG SHAREBROKERS' ASSOCIATION

The market continues quiet and the volume of business recorded for the week has been small. Holders of shares have displayed no anxiety to sell and investors have been content to wait for lower prices, thus making trading conditions difficult. HK Docks came in for enquiry and changed hands at \$18.80. Business has been reported in Trams at \$16.10 but later shares could be obtained at \$15.90. There has been some demand for China Lights (O) with sales reported at \$7.1. Ropes had sales at \$5 and Electric at \$50. Hotels were wanted at \$4.45 with sellers at \$4.65.

The Manila market has also been quiet and prices have been inclined to sag through lack of interest. Benguet Consolidated has announced a 100% stock dividend to shareholders registered on 17th November.

H. K. STOCK EXCHANGE

Perhaps the morning's trading is best described by stating the day is Saturday and a half day as regards business.

CHINESE LEGAL TENDER IN SHAI
SHANGHAI, Nov. 17 (Int'l).—Despite the Japanese threat to ban the import of legal tender, a sum of about \$10,000,000 Chinese government notes was unloaded from a steamer and delivered to the Hongkong and Shanghai Banking Corporation on Wednesday. The Chinese dollar made a slight advance this morning in spite of the Japanese landing operations near Pakhoi, indicating that such land and sea invasion has no effect on the general situation.

SHANGHAI, Nov. 17 (Int'l).—Remittances of money from Shanghai to Free China during the past several months are steadily increasing, and in August and September these remittances totalled about \$50,000,000 each month, according to vernacular papers.

In October, they reached the record high figure of \$100,000,000.

COMMODITY MARKET REVIEW

(FROM PAYNE & CO.)

New York, Nov. 18, 1939.

SINGAPORE RUBBER	November 17		November 18		change
	buyers	sellers	buyers	sellers	
S P O T	36-3/4	—	37-1/4	—	up 1/2
JAN-MARCH	35-1/4	—	35-1/4	—	—
APR-JUNE	34-1/8	—	34-5/8	—	—

The market was steady.

COTTON: Spots today were firm and offerings were light with the mills being the largest buyers. The Trade bought nears while foreign buying was for distant months.

RUBBER: The spurt in automobile output is further assuring an upward trend in domestic consumption of rubber for the balance of the year. Offerings of actuals were scarce, and the primary market was firm.

WHEAT: No material relief in the dry sections was indicated and a potentially tight cash position is developing as a result of the loan situation.

NEW YORK STOCKS: Previous close, 151.00; Today's close, 151.53; Change, up .53.

TATHONG CHANNEL

Minefield In Eastern Approach To H.K. Harbour

On and after Nov. 20, a Controlled Minefield will exist in the Tathong Channel, and passage will be prohibited whenever the signals prescribed in Admiralty Notice to Mariners No. 1 of 1939, Para. 2, are displayed.

These signals consisting of 3 red balls by day and 3 red lights by night, will be hoisted by the Port War Signal Station at Cape D'Agullar and will be repeated by Patrol Craft when in the vicinity, but Mariners are warned that Patrol Craft may not always be on duty.

CAUTION NECESSARY

When these signals are displayed, no vessel is to proceed north of a line drawn 060 Degrees from Cape D'Agullar or south of the Anti-Submarine Boom. As a further precaution, the "Normal Gate Open" Signals will not be hoisted for vessels departing, while the Minefield is dangerous.

When the "Gate Open" signals have been lowered at Cape D'Agullar, passage through the Tathong Channel is safe. Great caution is necessary when approaching the Port in thick weather and unless Mariners can clearly see that these Signals are not hoisted at the Port War Signal Station, they should assume that the Port is closed and keep well clear of the Tathong Channel.

ARMY-CLUB DEFEAT NAVY-POLICE XV

Cessford, Bidwell, Johns,
Richardson Outstanding

(BY "HOOKER")

At Causeway Bay on Saturday, Army-Club beat a weakened
Police-Navy fifteen by 21 points to nil. Cessford, Bidwell, and
Richardson were outstanding for the winners, while Johns gave
an excellent display for the Navy-Police.

The Navy-Police combination, weakened by the absence of
Paul, Carter and Cockrane, were completely outplayed by a de-
termined Army-Club fifteen. The game produced few good
movements and each side was content to keep the game closed
up.

Lang at full-back for Army-
Club, was must better than
Wall, who was very weak
in defence and, at times, he gave
one the impression that he had
not recovered from his recent in-
jury. In the backs Army-Club
were faster and more dangerous
than their opponents but Stewart,
who was perhaps the fastest wing
three on view, rarely saw the ball,
or the score would have been
greater, and that is all the more
curious for in previous games he
has been starved in a similar
manner.

All the Army-Club forwards
worked excellently in the loose but
they were inclined to lag at times.
Taylor and Johns were the only
forwards who played with any-
thing like zest amongst the Police-
Club pack. Pascoe and Kennedy
were the best of the Police-backs
and Taylor was inclined to walk
than run, when in possession.

GOOD HEEL

Play commenced with the Army-
Club taking the offensive and after
several minutes of play, in which
the Army-Club backs had stormed
the Navy-Police line, a good heel
by the Army-Club pack saw Hen-
derson sling the ball out to Cess-
ford who calmly got round two
men before kicking a beautiful
left-footed drop goal. Police-
Navy then took play into the
Army-Club half and Heath and
Johns took the ball over the Army-
Club line in a good loose dribble
but Lang saved the situation by

diving on the ball at Heath's feet.
Cessford was at this time throw-
ing the ball out well and
Army-Club backs carried play
into the Police-Navy half.

Army-Club hooked well and the
ball travelled from Cessford to
Bidwell who broke through and
when about fifteen yards from the
Police Navy line he transferred to
Richardson who foolishly cut inside
instead of going for the corner
flag and he was brought down
about two yards from the line. He
got the ball back to Bidwell, in
what I thought was an infringe-
ment of the "play the ball" rule
and Bidwell went over to increase
the Army-Club score. Richardson
added the extra points to put them
9 pts. in the lead.

Army-Club kept up the attack
and shortly before half-time
Richardson gathered the ball and
handed off Taylor and two others
before he crossed the line. Hen-
derson put the ball over the bar.
Play, on resumption, was very
scrappy and Stewart was the only
back on the field who looked as
if he had any go in him. After
Police-Navy were penalised for
offside, Richardson kicked a good
goal and Army-Club completed the
scoring when, from a reverse pass
by Cessford, Bidwell dropped a
clever goal.

A FAST GAME

Army 'A' reversed last week's
result when they beat the Navy
'A' in a fast game.

Army never looked like losing on
Saturday and their backs always
had a little in hand. Marsh, Boe
Waite were outstanding the latter
throwing the ball out to his wings
whenever possible.

Army attacked at the com-
mencement of play and Marsh,
intercepting a pass from Kirk-
wood, went through on his own to
open the Army score. Berry failed
with the kick. Army continued
to press and Marsh further in-
creased the Army lead by con-
verting a penalty for obstruction.

Army backs were all over their
opponents and shortly before the
interval Waite picked up cleverly
from the feet of the Navy forwards
on his own twenty-five line and,

cutting through the centre, out-
distanced the Navy backs and,
when challenged by Bax, he trans-
ferred, to Boe who went on to score
near the posts. Marsh failed to
convert.

Play resumed with the Navy 11
points in arrears but Hall quickly
reduced this when, after a mis-
understanding between the Army
backs, he dribbled over the line
to score. Army replied when Boe
cut through the centre after sell-
ing the dummy beautifully. When
he was brought down, Waite, who
was backing up, dribbled over be-
tween the sticks. The kick by
Marsh struck the crossbar and
bounced back into play.

LEAD REDUCED

Plugge reduced the Army lead
when he went over to score after
a good pass from Clark, and the
same player failed to convert. A
change amongst the Army backs
had apparently thrown them all
out of gear. Willis, picking up
from a penalty kick of marsh, in-
creased the Army lead when he
went over without a hand being
laid on him.

Navy kept Pegging away and the
Army appeared to be in trouble.
After Picton, the Army full-back,
had run beautifully up with his
threes he threw the ball out wild-
ly and Bowden secured it to race
over for the Navy's third try.
Plugge added the extra points with
a good kick.

SATURDAY'S FOOTBALL:

"Diehards" Hold Champions
To Draw: Saints Take Full
Points From 'olice-Leonard
Does The "Hat-Trick"

South China "A" very nearly lost their unbeaten record when
they met the Middlesex Regiment in a League match at Sookunpoo
on Saturday, and only the good work of Tam Kwan-kon in goal for
South China saved the day.

The final score was 2-1, but the soldiers pressed the attack
throughout the second half, and might have scored a third time.

South China actually led,
Lai Shiu-wing scoring the first
goal after 10 minutes of play,
and Ip Pak-wah the second
goal about 15 minutes later,
the champions pressing hard
throughout the first half.

After the interval, the tables
were turned, Pearson netting for
Middlesex, and later Saw, on a
pass from Bright, with 15 minutes
to go, Middlesex continued to at-
tack, but the whistle at full time
found the scores level at two goals
for each team.

SAINTS TAKE FULL POINTS

St. Joseph's took full points
from Police at Caroline Hill on
Saturday, and in winning three-
one showed quite definitely also
that they were the better team.

Leonard managed a "hat-trick"
for the winners, netting the first
of his three goals on a pass from
Pereira, the second on a solo ef-
fort, and the third on a pass from
All. The score at half time was
two-nil in favour of St. Joseph's,
the Police goal being scored by
Howlett within 10 minutes of the
finish.
